Sir:

An act of Congress approved February 1, 1940 (55 Stat., Part I, Chap. 18), provides that in any case where a state cedes jurisdiction over lands within its borders to the United States, the head or authorized officer of any department or independent establishment or agency of the Government having the custody of such lands shall, if such jurisdiction be accepted on behalf of the United States, file a notice of such acceptance with the Governor of the State ceding such jurisdiction.

While the above act is construed as applying only to lands acquired after its passage, yet in the interest of a uniform record for future uses, jurisdiction is hereby accepted on behalf of the United States in the manner and form ceded by a certain Deed of Cession from the Governor of Florida to the United States of America, dated November 27, 1939, over certain lands described therein which are in the custody of the Navy Department, to wit,

My dear Governor Cone:

Pursuant to authority contained in the Acts of Congress approved April 25, 1939 (53 Stat., Part I, Chap. 57) and May 25, 1939 (53 Stat., Part I, Chap. 149), the United States of America, by warranty deed dated September 2, 1939, recorded in Deed Book 836, page 46, acquired from the Armory Board of the State of Florida, free and clear of all encumbrances, all that portion of the Camp J. Clifford R. Foster military reservation formerly owned by the State of Florida, lying in Sections 23 and 39, Township 3 South, Range 26 East, Duval County, Florida, containing approximately 300 acres, more or less. The property covered by this conveyance is shown on the enclosed print.

The title of the United States of America in and to the property described in the above mentioned deed of the Armory Board of the State of Florida has been approved by the Attorney General of the United States. However, before expenditures of public funds for any future improvements on the site in question may be legally authorized, there will be required under Section 355 of the Revised Statutes (34 U.S.C., Sec. 520), cession of exclusive jurisdiction over the area here involved from the State of Florida in accordance with Section 7, Article 2, Chapter I, Title II, Compiled General Laws of Florida, 1927.

Formal application is hereby made for cession of jurisdiction over the area by the State of Florida to the United States of America. For convenience, there is forwarded for execution a draft of deed to accomplish the purpose.

The Navy Department would appreciate your good offices in the matter of granting the cession of jurisdiction covered by this application at the earliest practicable date.

Very respectfully,

C. W. Nimitz

Acting

His Excellency,
The Governor of Florida,
Tallahassee, Florida.

—один из первых, кто ввел в практику, то краеведческое изучение в гимназии № 1 г. Краснодара (с 1971 г.). Студенты получали практические знания по изучению истории и культуры Кубани, ее природы, ее народов, ее быта, ее традиций. Были организованы лекции, семинары, экскурсии, поездки в села и деревни Кубани. В результате, учащиеся не только получили знания об истории Кубани, но и научились любить ее, уважать ее, гордиться ею. Это было очень важно для формирования патриотизма у подрастающего поколения. Активисты, учащиеся из села Краснодарского района, организовали выставку, посвященную 30-летию Победы в Великой Отечественной войне.
